Omkaar Chaudhary

Career Objective

To leverage AI/ML and frontend development skills to build innovative and user-friendly applications. Seeking an entry-level position in a dynamic and technology-driven environment.

Personal Info

Name: Omkaar Chaudhary

Email: netragola@example.com

Phone: +914025246482

College: Pimpri Chinchwad College of Engineering & Research (PCCOER)

Achievements

Conceived and implemented a novel AI-powered recommendation system for a major e-commerce platform, leveraging advanced machine learning techniques and a responsive frontend interface resulting in a 15% increase in user engagement metrics during testing.

Developed a sophisticated real-time image recognition application using cutting-edge deep learning models and a visually appealing, user-friendly frontend, achieving 95% accuracy in identifying target objects and receiving positive feedback from beta testers for its intuitive design.

Skills

* Python programming (including relevant libraries like NumPy, Pandas, Scikit-learn, TensorFlow/PyTorch)
* Machine learning algorithms and model development
* Frontend web development (HTML, CSS, JavaScript frameworks like React, Angular, or Vue.js)
* Data visualization and storytelling
* Cloud computing platforms (AWS, Google Cloud, or Azure)
